EXECUTIVE SUMMARY

Software Engineer with experience building enterprise software solutions that streamline business processes and improve operational efficiency. Skilled in designing scalable applications, automating complex workflows, and developing reliable systems that support real-world business operations. Focused on writing clean, maintainable code and delivering high-quality software solutions aligned with business requirements.

EXPERIENCE

EMAAR Industries LLC | Muscat, Oman

Software Engineer

Jun 2026 – Present | Onsite

- Enhanced Estimate Pro, an enterprise estimation and costing platform for sandwich panel manufacturing.
- Led the migration from JavaScript to TypeScript, improving maintainability, scalability, and type safety.
- Developed multi-building estimation, quotation versioning, approval workflows, and BOM, cost analysis, and quotation PDF reports.
- Collaborated with cross-functional teams to deliver scalable business solutions.

Associate Software Engineer

Jul 2024 – Feb 2025 | Remote

- Designed and developed the initial the foundation for an estimation and costing platform.
- Designed the relational database and dynamic costing engine for real-time pricing calculations.
- Built secure REST APIs with JWT authentication, role-based authorization, and server-state management.

Srimax Software Technology | Sivakasi, India

Software Engineer

May 2025 – May 2026 | Onsite

- Developed a scalable Property Management Platform using Vue.js and Laravel, implementing the Data Forge Architecture to streamline complex data transformations and improve runtime performance.
- Delivered core modules for Property Maintenance, Compliance, and Agency Settings, leveraging reusable components to improve maintainability and provide an optimized user experience.

Zoho Corporation | Tirunelveli, India

Project Trainee

Feb 2025 – Apr 2025 | Onsite

- Developed a custom video player by integrating an Ember.js frontend with a Java Servlet backend.
- Implemented media streaming and HTTP response handling on an Apache Tomcat server.

TECHNICAL SKILLS

- **Frontend:** React, TypeScript, JavaScript, Vue.js, HTML, CSS, Tailwind CSS
- **Backend:** Node.js, Express.js, Laravel, PHP, REST APIs
- **Database & ORM:** MySQL, Sequelize ORM, Relational Database Design
- **Tools & Libraries:** Git, GitHub, Postman, Axios, TanStack React Query
- **Core Concepts:** OOP, MVC Architecture, Data Structures, Authentication & Authorization

EDUCATION

B.E - Computer Science and Engineering
Kamaraj College of Engineering and Technology

CGPA - 8.31

2021 - 2025
TamilNadu, India

PROJECTS

- TN Local Bus TimeTable System (Flutter , Node.js and MYSQL)

2021

 - Developed and deployed a Flutter mobile app to Assist passengers by providing bus timings for the Virudhunagar and Madurai areas.
- KCET E-Canteen Management System (Flutter, Dart, JSON, PHP, and MySQL)

2022

 - Designed a real-time food ordering system reducing wait times, implementing RESTful APIs to synchronize order status and ensure data consistency for concurrent users
- Hello KCET (Java (Android), Flutter, MySQL, SQLite)

2023

 - Deployed an academic app serving 1000+ users, implementing a hybrid database strategy where MySQL fetches metadata and SQLite caches results for offline access
- Video Player Application (Java Servlets, Apache Tomcat, Ember.js)

2024

 - Developed a custom video player by interfacing an Ember.js UI with a Java Servlet backend, manually handling media file retrieval and HTTP response headers on a Tomcat server.

INTERNSHIP

- TeamWork Solutionz Role : Flutter App Developer

June 2023

 - During my internship at TeamWork Solutionz, I worked on the LOGYK ADS project as a Flutter app developer.

CERTIFICATIONS

- Java Certification
 - Flutter App Development
 - Git & GitHub
 - Python Essentials
 - SQL Advance by HackerRank
 - Project Management

EXTRA CURRICULAR

- Taught Java basics on YouTube and Flutter fundamentals to my juniors.
- I enjoy writing blogs about Java, Flutter, and providing project walkthroughs.

ADDITIONAL INFORMATION

- Languages:** Tamil (Native) • English (Professional Working Proficiency) • Hindi (Basic)
- Nationality:** Indian
